COMPLAINANT

Name: Ms. Liza Gonzales | Age: 34 | Address: Barangay Silangan, Quezon City | Contact: +63 918-xxx-xx02

NARRATIVE OF THE INCIDENT

On May 9, 2024, at around 2:05 in the afternoon, complainant Liza Gonzales withdrew cash from a bank along General Araneta Avenue, Cubao, Quezon City. At approximately 2:15 PM, she noticed a black motorcycle with two male riders idling near the bank entrance. As she walked towards the jeepney stop at around 2:19 PM, the pillion rider suddenly grabbed her black leather sling bag and pulled it away before she could react. The bag contained a Lenovo IdeaPad laptop and approximately Php 15,000 in cash from the withdrawal.

The pillion rider was described as lanky in build, around 5 feet 9 inches tall, wearing a gray t-shirt, with a visible dragon tattoo on his left forearm. The driver was of stocky build and wore a black full-face helmet throughout, so his face was not seen. The motorcycle immediately sped off towards Gen. Roxas Avenue; no plate number was visible as it appeared to be deliberately covered.

A nearby security guard reported seeing the same motorcycle circling the block twice before the incident. Complainant was not physically injured but sustained a minor scrape on her right hand from the pull. She is requesting that CCTV footage from the bank and nearby establishments along General Araneta Avenue be secured and reviewed, and that the description of the suspects be cross-checked against known offenders operating in the Cubao area.
